

## FAQ

**Do I need a partner?** No, Scottish country dancing is a social activity and it is common practice to dance with different partners during a night of dancing. We are a worldwide society and you will make many new friends from all over.

**What to wear?** Dancing can be energetic although you can put in as much or as little effort as you like. We recommend that you wear layers of clothes - possibly light trousers or a full skirt, a T shirt and something on top for warming up or the slower dances.

**What shoes do I wear?** Dancing shoes come in many guises from ballet shoes to laced soft shoes and to those with a T bar. All proper Scottish country dancing shoes are very soft and comfortable, and can be bought from most dancing outlets and shops like Dancewear in Edinburgh (members receive a discount). Before you buy shoes, you might prefer to come along to the class in soft soled flat shoes (trainers are ideal) and see what your teacher suggests or what others are wearing.

**When do classes start?** Classes start during the week commencing 25th September. If you miss the beginning of term, do come along on any Monday or Tuesday to our Beginners classes and give us a try!

**How much does it cost?** Give it a go for **5 weeks** for **£38.50**. Join as a new member - **£83** for **10 classes** including membership of the RSCDS until June 2018, this will give you discounted classes each term until then and access to our events at the members rate. Still not sure? Join our **Beginners class** for **£8 per week**.
